MOVE YOUR FACTORY

CHICAGO HEIGHTS,

cheap fuel, free water, free switching facilities, free factory sites, electric right, electric power, an abundance of raw me terial, and Chicago freight rates to and from all points. Three switch engines are kept constantly on hand for the pur pose of serving the industries. Again, and greatest of all, Chicago Heights is the center of population, and it is the largest railway and distributing point in America. During the past two years twenty-two manufactures have moved to Chicago Heights, and many others are negotiating with us for locations. We own 4,000 acres of land at this place, and have arrangements completed whereby we keep fifty vacant houses in advance of the demand, which may be rented by the workmen at from \$5 to \$6 per month, or purchased at \$10 cash and \$10 per month thereafter. We sim to encourage the vorkmen to purchase homes, and our easy payment plan places it within the reach of all to become their own land lords and stop paying rent. Chicago Heights has hotels, banks, schools, churches, city water, electric light and power telephone service, macadamized streets, handsome dwellings and beautiful parks, walks and drives. It is the one place in America where Nature and Science combine to reduce the cost of production and cheaply distribute the products of the ractory to the consumer.
